Dear Sisters, Brothers,

Thank you to everyone who joined us for our first-ever tele-town hall. It was powerful to hear your voices, your questions, and your commitment. Even with a few technical issues, what stood out most was our unity.

We are being heard. We are organizing. And we are gaining strength with every step.

This transcript is here to keep you informed, because staying connected is how we stay strong. We're in this together, and together, **we will win the contract we deserve.**

Be safe. Stay united. We Ride Together!

Chères sœurs et chers frères.

Merci à toutes et à tous d'avoir participé à notre toute première assemblée publique téléphonique. Ce fut un moment fort de vous entendre, de recevoir vos questions, et de ressentir votre engagement. Malgré quelques défis techniques, ce qui ressort avant tout, c'est notre unité.

Nous sommes entendus. Nous nous organisons. Et nous gagnons en force à chaque étape.

Cette transcription vous est partagée pour que vous restiez bien informées — car rester connectées, c'est rester fortes. Nous sommes ensemble dans ce combat, et ensemble, **nous obtiendrons le contrat que nous méritons.**

Prenez soin de vous. Restons unis. Nous roulons ensemble.
